Bruce Sullivan Introduction (Leadership – Modern Leaders)

You can't just **intention** your way into it effective leadership. You actually have to **behave** your way into effective leadership to achieve a modern and effective workforce. The paradox is that there can be incredible incongruence between what you intend to do and how you behave.

Our presenter today, Bruce Sullivan will explain to you the 12 styles that individuals use in varying degrees in their interactions with others and in completing tasks. Once understood, this framework will provide you with a useful benchmark to compare your own current behaviours. From here you can target specific areas for improvement in your everyday situations.

A proven performer in achieving results through people for over 20 years, practical, hands on experience working in both the community and business, a Director of 6 companies, an author, a husband for 22 years, a father to Hannah aged 12 and Declan aged 8, Bruce is one of the world's leading authorities in personal leadership.

Get ready to laugh, learn and lead.
